

INSTRUCTIONS FOR FOLDING A MINI-BOOK

Folding the Book

You will fold it in half lengthwise creating a hot dog fold.

Then you will fold it in half the other direction creating a hamburger fold.

Next, you will fold it in half again to create a small rectangle.

You will then need to totally unfold it.

Creating a Center Cut

You will need to fold the book in half again hamburger style (from top to bottom)

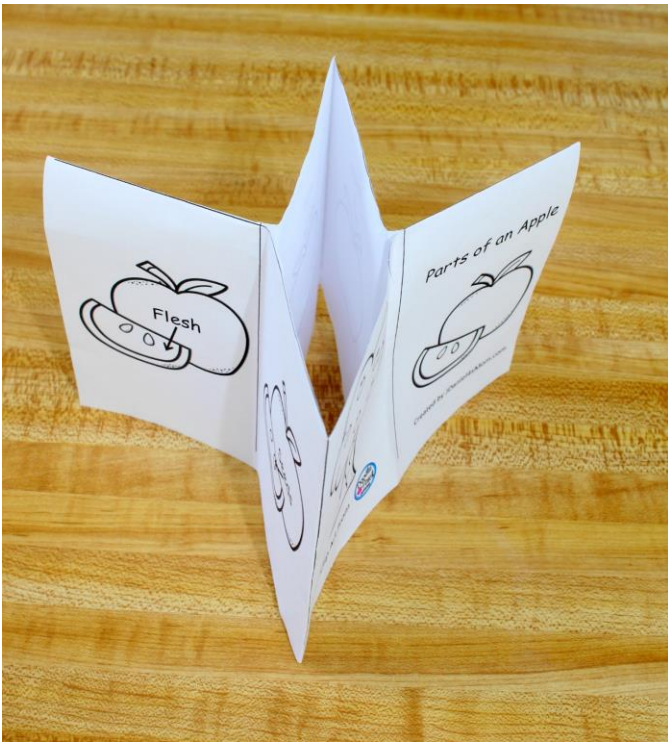

Then you will need to cut along the center line across the inside rectangle. You will stop cutting when you get to beginning the outside rectangle.

Folding the Book

You will need to fold the book into a hot dog fold.

Then you will push the folded edges towards center allowing the slit to open up into a diamond shape or mouth shape.

You will need to keep pushing edges together until diamond or mouth becomes a slit again, perpendicular to folded edges.

Fold one edge toward slit and the opposite slit toward the folded edge.
